

Join the Alliance for Tax Fairness

The Alliance for Tax Fairness (www.AllianceForTaxFairness.org) was created earlier this year to support solutions to the state fiscal crisis that accomplish two goals:

- Generate enough new revenue to go beyond just plugging the \$1.7 billion budget hole so we can make long-delayed investments in education, health care, Chesapeake Bay cleanup, and other areas that are critical to Maryland's future.
- Generate new revenues in ways that are fair. Low- and middle-income working families and retirees should not bear the brunt of tax increases when upper-income households and large, out-of-state corporations pay some of the lowest effective tax rates in the nation.

With your help, we will educate and involve the public to have a voice in solving this crisis that threatens Maryland's future prosperity and quality of life.

Founding members of the Alliance include:

Progressive Maryland	Maryland State Teachers Assn	1000 Friends of Maryland
AFSCME SEIU	League of Women Voters	Maryland Assn of
Maryland PIRG	League of Conservation Voters	Nonprofit Organizations
